All work must be done in accordance with the Ordinances of West Homestead Borough and current details on file. The applicant must notify the West Homestead Borough Public Works (412-461-1844) a minimum of 24 hours before sidewalk surface is installed to verify that subbase type/depth and reinforcing (if required) is installed according to borough details. The applicant agrees to protect the opening when not on site by suitable barricades and/or safety lighting if area is not normally illuminated.
